

The new 5CCT LTTLM10 mini track lights are ideal for highlighting and general lighting in retail, commercial and domestic applications. Particularly suitable where flexibility is necessary in installations such as shops, art galleries and exhibitions, and where unobtrusive miniature spotlights are required.

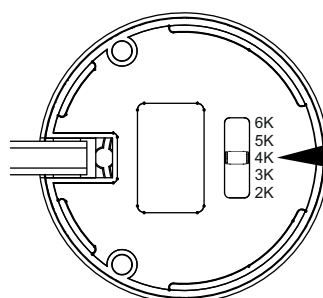

**Applications:** Shopping malls, cultural exhibition halls, chain stores, business halls, professional windows, counters and other key lighting places.

- 50% higher energy saving rate than the traditional metal halide lamp.
- No flicker, no dazzle, healthy to the eye.
- Dimmable: Compatible with most Triac dimmers on the market.
- Environmental protection: meets RoHs requirements; contains no lead or mercury

#### SPECIFICATIONS:

Model	LTTLM10
Power(W)	10W
Voltage	AC 190-260V
Power Factor	>0.9
Lumen Output	600-750lm
Lumen Efficiency	75Lm/W
CRI	>80
CCT	5 CCT
IP Rating	IP20
Beam Angle	15°
Operating Temp.	-35° ~ +40°C
Body Colour	Black / White

#### 5CCT CHANGEABLE SWITCH:

5CCT Changeable Switch  
 2000K - 3000K  
 4000K - 5000K - 6000K

#### DIMENSIONS(mm):

A mm(inch)	B mm(inch)	C mm(inch)
59(2.36)	73.5(2.95)	134(2.76)
